Welcome to International Aerospace Quality Group, *********!

Online Aerospace Supplier Information System (IAQG-OASIS). If you are working in the aerospace industry, involved in aerospace supplier selection and surveillance, this is your reliable source for aerospace supplier certification and registration data. This online resource contains a list of suppliers who are certified / registered under the IAQG rules to be in compliance with the aerospace quality management system requirements (9100 series). This resource also contains all bodies involved in the process (i.e. National Accreditation Bodies, Certification Bodies and Authenticated Aerospace Experienced Auditors). Personal information can be seen or modified using the menu on top.

Search & Track

Search and keep track of certified suppliers and bodies involved in the AQMS certification process

Feedback

Get in touch with registered companies in the industry. Send feedback to suppliers, certification bodies and more.

Manage & Audit

Manage audits and certified suppliers and bodies involved in the AQMS certification process.
